SUBMISSION OF DEFICIENCY PAYMENT UNDER 37CFR1.28(c)

The Commissioner for Patents
Washington, DC 20231

Dear Commissioner:

The filing fee in this application was paid in good faith as a small entity. I have since learned, however, that the fee should have been paid as a large entity, thus through an error, the Office was not previously notified of this change in entity status. Accordingly, enclosed is our check for \$370.00 representing the deficiency owed for this fee as a large entity.

Itemization of Deficiency Payment:

- (A) Type of fee: Issue Fee; Current fee amount for non-small entity: \$740.00.
- (B) Small entity fee paid: \$370.00 on February 6, 2002
- (C) Deficiency owed: \$370.00
- (D) Total deficiency payment: \$370.00.

The Commissioner is authorized to charge any fees or credit any overpayments, if necessary, associated with this communication to our Deposit Account No. 19-0750 (order no. B01-019-2)

Respectfully submitted,
